Thanks to all supported this wonderful event in aid of the Raise the Roof Appeal– we raised about £1700 and donations are still trickling in!
Thanks to God for perfect weather!

Cartridge Recycling

Thanks to everyone who has been sending off their used printer cartridges for recycling – we've already had a cheque back for £11.86. It really is money for nothing. If you have inkjet cartridges to recycle please ask for an envelope, or mobile phones and laser cartridges can be given to Louise or left at the Rectory.

Could you help with the cleaning at Great Chart?

There are folk from both churches on the rota and your turn would come up every 6 weeks or so. It involves vacuuming, sweeping & dusting for approx an hour, in a pair with someone already on the team.

Could you help- with Explorers?

Its great that we have so many children coming to Singleton but this puts a greater demand on the Explorer leaders and we urgently need some more help with the group. It involves being an extra pair of hands with the little ones (3 – 6 years), helping them with cutting out, gluing and sticking etc. Please speak to Catherine if this could be you.

Reader in Training

Tony Staples from Frittenden is Training as a Licensed Reader in the Diocese, and is joining us until mid November to experience a different Parish from his own. Tony will be with us most Sundays as well as coming to some meetings and meeting up with various people. If you are willing to invite him for Sunday lunch at some point (& maybe his wife Judy when she's able to join us) please speak to Tim

Spring Harvest 2011

We are thinking of taking a Church Group from Great Chart and Singleton to Spring Harvest just before Easter 2011, either to Skegness or Minehead

Easter is very late in 2011 – 24th April
so the School Holiday is the 2 weeks running up to the Easter Weekend & schools return on Easter Tuesday 26th April

We will either go the week before Holy Week
(Saturday 9th – Thursday 14th)
or over Palm Sunday weekend
(Thursday 14th – Tuesday 19th)

Please begin to think & plan to join us!
